Programs will run from Monday, March 16, 2020 - Friday, June 5, 2020

The lottery does not guarantee your child will be given his/her 1st, 2nd Or 3rd choice

Cooking with "AnnMarie"

Cost: \$205

Mondays 3:00-3:45

Come cook with Ann Marie from the Bananas Class! The children will learn basic cooking skills such as measuring, mixing and cutting. Each week the children will prepare a recipe to take home, along with cooking instructions. We will prepare some Spring favorites such as Irish Soda Bread, Chocolate Chip Cookie Cake, Mini Omelets and many more. Upon completion of the class your child will receive their very own set of utensils along with a cookbook of all the recipes we prepared.

Dino Discovery

Cost: \$257

Mondays 3:00 - 3:45

Do you know which dinosaur was nicknamed "long neck"? Do you know which dinosaur had the biggest head? Join us for a colossal journey into the world of dinosaurs. Build a dinosaur replica and have archaeological dig just like a real paleontologist. In Dino Discovery, you will have a swamp stomping good time.

Art Safari

Cost: \$257

Mondays 3:00-3:45

We are going to take a safari around the world! Visit a new country each week and learn about animals native to that location with a sprinkle of literature, dabble of games, and a whole lot of art. Grab your passport and discover the thrill of the hunt without leaving school!

Hip-Hop with Michael Salem

Cost: \$257

Tuesdays 3:00 - 3:45

Infinite Motion- A versatile class created by World of Dance Choreographer Michael Salem. A fusion of hip-hop, martial arts and ballet fundamentals to help students be more aware of their body and becoming more well rounded as a dancer. Fun activities to keep the students engaged and help their communication skills and confidence. Students will be learning the techniques of different styles of dance while getting a great work out targeting not just the physical but also exercising the students spirit and mind.

Tae Kwon Do

Cost: \$205

Tuesdays 3:00-3:45

Our program is designed to enhance the coordination and focus of children 7 years and younger. This is accomplished by having the children repeat certain sets of moves, led by the instructor. The concept of this repetition is to instill confidence in the child, that he or she is able to remember and repeat said moves without any assistance. The program will teach each child the basics of martial arts, such as blocks, punches, kicks and steps; while making sure that the child uses both sides (right and left) of his or her body in order to coordinate movements.

Music and Movement with Ms. Amy Cost: 205 Tuesdays 3:00-3:45

Children have A LOT of energy and this class will help them get those wiggles out! Come exercise, sing and dance with Ms. Amy! Children will be learning various silly songs, playing movement games, exploring musical instruments and exercising! Let's get moving!

Nature 101 with Ms. Christine Cost: \$205 Tuesdays 3:00-3:45

Come learn about Nature with Ms. Christine from the Banana Class! The children will learn about the differences between living and non-living things, how we share the environment with animals and plants, the name of each animal and their natural environment and so much more! At the end of the semester each child will get to complete their very own encyclopedia!

Cooking with "AnnMarie" Cost: \$205 Wednesday: 3:00 - 3:45

Come cook with Ann Marie from the Bananas Class! The children will learn basic cooking skills such as measuring, mixing and cutting. Each week the children will prepare a recipe to take home, along with cooking instructions. We will prepare some Spring Favorites Irish Soda Bread, Chocolate Chip Cookie Cake, Mini Omelets and many more. Upon completion of the class your child will receive their very own set of utensils along with a cookbook of all the recipes we prepared.

Leap Into Literacy with Sabrina Mele Cost: \$205 Wednesdays 3:00-3:45

How do children learn to love literacy before they are able to read? Let us help them "leap into literacy" by teaching them how to identify characters, plot and setting by using what they already know! Each week, we will explore a new story, and use the pictures to help us identify what is happening, and who it is happening to. We will explore the physical aspects of a book, as well as the beginning, middle and end of the story. We will also begin to explore elements such as plot, setting and characters. We will also create a craft based on the story, so your child will have something to help them remember their experience. Let's have fun leaping into literacy!

Soccer Shots Cost: \$205 Wednesdays 3:00-3:45

Soccer Shots is an engaging children's soccer program with a focus on character development. Our caring team positively impacts children's lives on and off the field through best-in-class coaching, curriculum and communication. Our coaches are passionate about working with children and love what they do! Our curriculum is age-appropriate and aligns with early childhood education standards. Each week your child will learn a new skill and character word which is then reinforced through fun imaginative games. Each session ends with goal scoring and a small sided scrimmage.

Mad Science "Little Scientists II" Cost: \$257 Thursdays 3:00-3:45

Join Mad Science for some engaging hands-on learning experiences. Each class is an interactive, age appropriate exploration of a specific science topic. Every themed program is designed to captivate the curious nature of young children. Preschoolers enjoy engaging demonstrations, perform simple experiments and will discover how science can help us better understand the world around us! Some of the topics we'll include this semester are: Shapes and Structures, Science of Music, Weather Wonders, Animal Friends, Magnetic Attraction, Mad Mixtures, Water Works and much more!!!

Legos with Mr. James

Cost: \$205

Thursdays: 3:00 –3:45

Legos are the perfect learning tool for pre-school children. In these classes students will start with the basics of building (shapes, houses/buildings, vehicles) to more complex concepts (building designs using symmetry, object attributes and others).

Super Friends

Cost: \$205

Thursdays 3:00-3:45

Let's learn how to be SUPER FRIENDS in this fun and exciting social-emotional enrichment. Each child will be making a cape and mask on the first day, which they will wear each week, while learning how to use their skills to be a super friend! We will focus on themes such as being kind, using manners, expressing our feeling, solving problems, and establishing and maintaining relationships with others. Using books, play puppets and projects, your child will learn social-emotional skills that will last them a life time! You are never too young to learn how to be a super friend!
