

# Parent Volunteers Needed!

We are busy planning for the new school year and seeking parent volunteers. As you can see, there are many ways in which you can help enrich your child's experience at The Little School. Please take a moment to read this form and indicate ways in which you can help. You may drop it off at the office, email it to office@kbls.org, or mail it in by **August 25**. If you have any questions and/or comments, please call the office at 914-472-5409. Many of these activities take only a small amount of time, but your involvement in them makes all the difference. We look forward to working with you!
